

Statement of Tuition Assurance Exemption

Introduction

Tuition assurance protects students in the event a course of study provided by an approved HELP provider ceases to be provided after it starts but before it is completed.

1. As an approved higher education provider under the Higher Education Support Act 2003, Institute of Creative Arts and Technology Pty Limited ABN: 62 003 925 282 (“ICAT”) must meet the tuition assurance requirements or be exempt from those requirements.
2. It is intended that, from 1 January 2018, ICAT will be exempted from the requirement to meet the tuition assurance requirements. Instead, ICAT is required to comply with interim arrangements which ensure similar tuition assurance protection is provided to students.
3. This statement sets out the interim arrangements for tuition assurance that will apply from 1 January 2018 and ICAT’s obligations from that date.
4. If any changes occur to the proposed arrangements outlined below, a revised statement will be provided on ICAT’s website and advised to all students that have enrolled in the intervening period.

What happens if ICAT ceases to provide a course of study?

Information for affected students

1. ICAT will notify affected students in writing that a course of study is no longer provided within 2 business days after ICAT ceases to provide the course.
2. As soon as practicable, ICAT will also update its website to reflect that the course is no longer being

delivered and to give students information about the tuition assurance arrangements.

3. Affected students may choose either course assurance arrangements or apply to ICAT for a re-credit of their HELP balance.

Course Assurance

1. The Commonwealth Department of Education and Training (the Department) (or a consultant engaged by the Department) will work with affected students to identify a replacement course and arrange for students to be placed with a second provider.
2. Replacement courses must meet the following requirements:
 - a. the course must lead to the same or comparable qualification as the original course;
 - b. the mode of delivery of the replacement course must be the same as or, with the student's consent, similar to the mode of delivery for the original course;
 - c. the location where the replacement course is primarily delivered must be reasonable, having regard to the costs of, and the time required for, a student's travel; and
 - d. the student will not incur additional fees that are unreasonable and will be able to attend the replacement course without unreasonable impacts on the student's prior commitment
3. Affected students will be offered a replacement course and may seek a review about whether the course offered to them meets the requirements for replacement course
4. A student who accepts the replacement course offered will not be required to pay the second provider for the replacement components of the replacement course. However, the fees payable for the remainder of the replacement course may be different from the fees payable for the original course
5. The student will also receive course credits for parts of the original course successfully completed by the student, as evidenced by a copy of a statement of attainment or other Australian Qualifications Framework certification document issued by the course provider or an authorised issuing organisation in accordance with the Australian Qualifications Framework.
6. Each affected student will have a period of six (6) months in which to accept the replacement course offer. The Department may extend that period in circumstances that justify an extension.

Re-credit of HELP balance

1. Where the student prefers to apply for a re-credit of their HELP balance for the affected parts of the original course, the student may nominate the Department (or a consultant engaged by the Department) to make the application on the student's behalf.
2. ICAT will consider students' applications as soon as practicable and notify them of the decision about the application, together with a statement of reasons for the decision. If an application for a re-credit is accepted, the amount re-credited will be equal to the amount of HELP assistance

received by the student for the affected units of study.

Record keeping

1. It is suggested best practice for students to retain assessments, records of competencies or statements of attainment that they receive from their education provider
